New Features

Custom Fields

Capture all important project data with our new **Custom Fields** feature. inMotion users can now create as many custom fields as needed to document all necessary project information for historic reference.

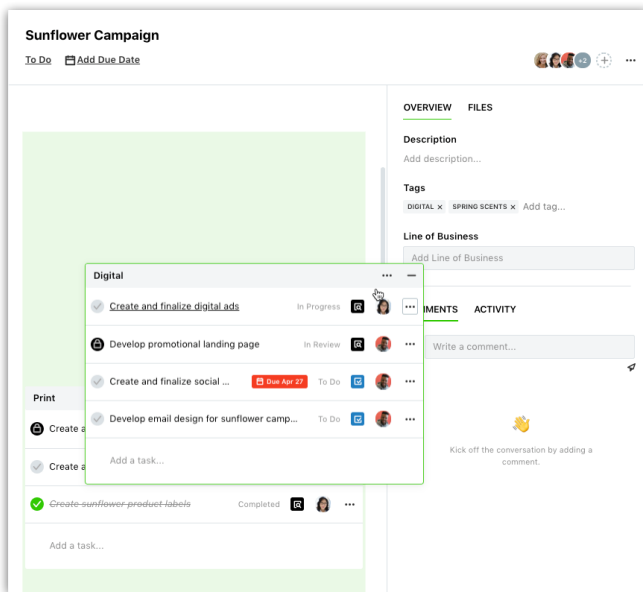

The screenshot displays the 'Sunflower Campaign' project page. The left sidebar contains a 'WORK' section with buttons for 'Add Task', 'Add Proof', and 'Add Group'. Below this is a task list under the 'Digital' category, including 'Create and finalize digital ads' and 'Develop promotional landing page'. The right sidebar has tabs for 'OVERVIEW' and 'FILES'. Under 'OVERVIEW', there are sections for 'Description', 'Tags', 'Line of Business', and 'Product Line'. The 'Line of Business' field is set to 'Seasonal Marketing' and the 'Product Line' field is set to 'Hand Soap'. These two fields are highlighted with a green border. At the bottom of the right sidebar, there is a 'COMMENTS' section with a text input field and a 'Kick off the conversation by adding a comment.' prompt.

Improvements

- Work inside of a project can be dragged and dropped in, out, and between project work groups.

The screenshot displays the 'Sunflower Campaign' project interface. At the top, there are navigation options 'To Do' and 'Add Due Date', and a group of user avatars. The main area is divided into two columns. The left column contains two task lists: 'Digital' and 'Print'. The 'Digital' list includes tasks like 'Create and finalize digital ads' (In Progress), 'Develop promotional landing page' (In Review), and 'Create and finalize social media assets' (To Do, Due Apr 27). The 'Print' list includes 'Create and finalize half-page ad' (In Review), 'Create and finalize retail signage' (In Progress, Due May 4), and 'Create-sunflower-product-labels' (Completed). The right column has a sidebar with 'OVERVIEW' and 'FILES' tabs. Under 'OVERVIEW', there is a 'Description' field, 'Tags' (DIGITAL, SPRING SCENTS), and a 'Line of Business' field. Below that is a 'COMMENTS' section with a 'Write a comment...' input field and a prompt to 'Kick off the conversation by adding a comment.'
