

# Release Notes - July 12, 2021

Published on 01/27/2022

## Improvements

**File names will now wrap in the Complete Request Modal, making it easy to know which files to mark as Deliverables.**

Feeling nostalgic? Here's what we released...

- **Six months ago: Automatic Date Calculations in Gantt Views** (<https://guide-ignite.inmotionnow.com/help/release-notes-11-2-2020>)
- **One year ago: Reorder your Custom Statuses** (<https://guide-ignite.inmotionnow.com/help/release-notes-5-11-2020>)
- **Eighteen months ago: Bulk Actions in Custom Views** (<https://guide-ignite.inmotionnow.com/help/release-notes-11-2-2020>)

[ignite.inmotionnow.com/help/release-notes-11-4-2019](https://ignite.inmotionnow.com/help/release-notes-11-4-2019))

- **Two years ago: Requester Insights** (<https://guide-ignite.inmotionnow.com/help/release-notes-05-15-2019>)
