Improvements

Admin users can edit a request name at any time on the Request Details page.

The screenshot displays the 'Campaign Request' details page in the inMotion ignite Review App. The interface is divided into three main sections: a left sidebar, a central overview area, and a right details panel.

- Left Sidebar:** Contains navigation options like 'My Requests', 'All Requests', 'Archived', and 'Submitted Requests'. It also includes a 'CUSTOM VIEWS' section with 'Submitted Requests' and an '+ Add View' button.
- Central Overview Area:** Features a 'Request Progress' chart showing stages: Created (Oct 30), Submitted (Oct 30), Accepted (Oct 30), and Complete (Nov 29). Below the chart are three summary boxes: '1/3 Projects Completed', '3/3 Proofs Completed', and '22 Days Remaining'. A 'Deliverables' section lists 'Print Ad- fall scents 2019' with a download icon. A 'Work Status' section is partially visible at the bottom.
- Right Details Panel:** Includes a 'DETAILS' section with 'Members' (Paul Moran), 'Due Date' (Due Nov 29), 'Requester Name' (Paul Moran), 'Request Form' (Campaign Request), and 'Associated Work' (Fall Scents Campaign). It also has 'Tags' (PRINT, SEASONAL, DIGITAL, SOCIAL ME..., VIDEO) and a 'COMMENTS' section with a 'Write a comment...' input field and a user profile for Christy Drucker.

Dropdown custom field values can now be sorted alphanumerically.
