New Features

Customize the Create Request Modal

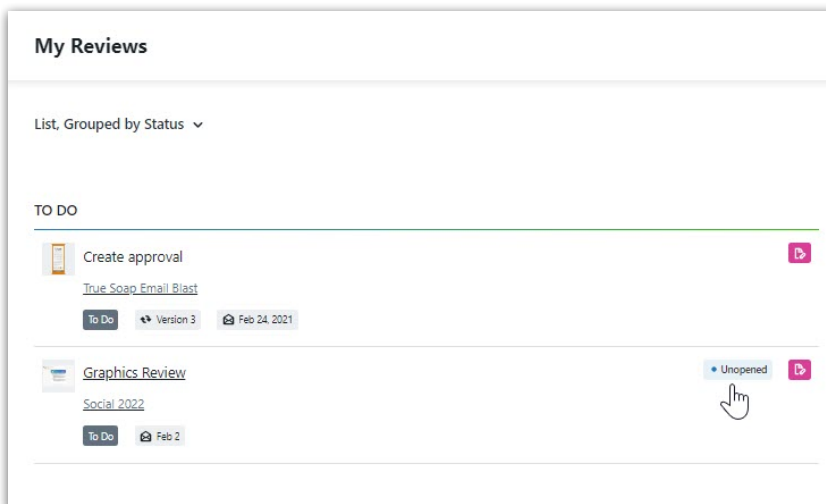

Provide your requesters with more context when creating new requests! Now you can edit the label and provide helper text in the Create Request modal to ensure your requesters are providing the information you need to get started. Turn on [Custom Text](https://guide-ignite.inmotionnow.com/help/general-settings#custom-text) (<https://guide-ignite.inmotionnow.com/help/general-settings#custom-text>) in your Account Settings to update with language that aligns with your organization's needs.

Improvements

Quickly View Unopened Reviews

My Reviews will now display badges indicating if a review has not been opened, allowing you to quickly prioritize reviews that need your attention.

Quality of Life Improvements

- Clarified language at the top of Proof Details on canceled reviews.
 - Updated from “This proof has been canceled” to “This review has been canceled”
 - Updated from “UserName canceled this proof on DATE” to “UserName canceled this review on DATE”
