New Features

Improved Views

We've made it even easier to [sort, filter, and view](https://guide-ignite.inmotionnow.com/help/getting-organized) what you need to see in the way that works best for you. Leverage your favorite filters in Requests, Campaigns, Projects, Tasks, Proofs, Calendars, and Workload and save these preferences to return to when needed. Check out the video below to see all of the exciting changes!
