Improvements

Quality of life improvements for time tracking

- Kanban views (https://guide.lytho.com/help/kanban-views) will now display tracked time, making it easy to monitor your progress at-a-glance.
- Time will now only display in hh:mm format, creating a more intuitive experience wherever you're tracking time in Workflow.
- Time reports (https://guide.lytho.com/help/time-report) now update in real-time, enabling you to track time more accurately

Feeling nostalgic? Here's what we released...
