Improvements

Assign Default Alternate Layouts in Tempo*

Empower users with streamlined creative automation by setting the most popular layout as the default, enhancing efficiency and enabling swift template completion.

**Interested in learning more about [Lytho Tempo](https://www.lytho.com/tempo/) (https://www.lytho.com/tempo/)? Let us know! We would love to show you.*

The screenshot displays the 'FIELDS' tab in the Lytho Tempo interface. At the top, there are four tabs: 'GENERAL', 'INPUT', 'FIELDS' (selected), and 'OUTPUT'. Below the tabs, there is a checkbox labeled 'Allow adding new image and text frames' which is checked. To the right of this checkbox is a button labeled 'Clear text fields'. Below this, there is a dashed box with a plus icon and the text 'Create a group'. Underneath, there are three field entries. The first entry is 'Price tag' with a menu icon on the left and an eye icon on the right. Below it is a button labeled 'tempo-list' with a dropdown arrow. The second entry is 'Baseline Master' with a large 'A' icon on the left, a button labeled 'Link prefilled field' with a dropdown arrow, and an eye icon on the right. The third entry is 'Layout' with a menu icon on the left and an eye icon on the right. Below it is a button labeled 'tempo-list' with a dropdown arrow.
